### **DESCRIPTION OF OFFERING:**

I am a lifelong church musician and composer. I have piano and choral music published through Augsburg Fortress as well as through my website.

I am available to play concerts and worship services. I play piano and keyboard and sing, and have a wide familiarity with a variety of liturgical music from ELW and beyond. I also write hymns, liturgical music, and choral anthems on commission.

As a certified yoga instructor, I also offer Christian themed yoga and meditation classes. I am a Benedictine oblate and can lead retreats. Please see more about this offering under "Spirituality and Meditation" on the Speaker's Bureau site.
