DESCRIPTION OF YOUR OFFERING: A New Chapter in God's Continuous Call —I will speak to your group about the way God has continued to call me in new and various ways to be the heart and hands of Jesus, to continue telling God's story THROUGH story! I will recall my personal journey from worker with juvenile offenders, to at-home Mom, to youth and Christian education coordinator in a church, to pastor, and most recently as a writer of Christian fiction. Not only will I describe this journey, but help others discover how God has, and is, using each of them at every point of their lives, to tell God's story in their own way. I can also speak more about the process of becoming a writer/writing, if preferred, and can put more emphasis on any aspect of my journey that is desired. I am flexible to fit your group's needs. I am also available to be present at the discussion of my book, i.e. at a church book club meeting, if desired. My current fiction novel, *NOTED!*, contains 19 discussion questions for personal reflection or group discussion.
