

MISSION MOMENT

Madison Area Urban Ministry

Lakeview Lutheran Church (Madison) Received Madison Area Ministry ("MUMz') Visionary Award!

Congratulations to Lakeview Lutheran Church! As the synod office was reading through the MUM newsletter, we saw that Rev. Dean Kirst accepted the **Visionary Award** on behalf of the congregation. Lakeview received this award for their early support of **Just Bakery** through in-kind contributions of \$25,000 annually for program space, for their long-term commitment as host to The Road Home, for their community food pantry, and for the many other ways they contribute to the community.

Many of our congregations are walking together and are now supporting the efforts of Just Bakery by inviting them to sell their baked goods at your congregations. We are grateful to Lakeview Lutheran for helping to make this ministry possible. Well done faithful servants of Lakeview Lutheran!
