A Message to Portico Plan Members – March 16, 2020

As we feel the evolving impact of COVID-19 on our lives and communities, Portico is here to support you. The health and well-being of our members is paramount. We encourage you to use your ELCA-Primary health benefits to help you and your covered family members stay well — physically as well as emotionally. Please refer to the March 16 email to members from myPortico with links for options for care, testing costs, emotional support, and CDC guidelines. For congregations, this is the link to the ELCA Resource for guidance to our faith community: <https://www.elca.org/publichealth>. You can always reach out to the Portico Customer Care Center, 800.352.2876, or your Regional Representative, Jennifer Prinz – jprinz@porticobenefits.org or 563/650-4122.
