Reports from the public witness work groups, ministry partners, and agencies and institutions affiliated with the South-Central Synod of Wisconsin and the Evangelical Lutheran Church in America are contained in the Bulletin of Reports.

These reports outline the array of work we undertake together in the South-Central Synod of Wisconsin and as part of the whole church as we carry out global ministries, seek to become more inclusive and loving to all, develop resources and equip leaders, advocate for justice and the common good, care for God's creation, serve the needs of the poor and marginalized, and find new, collaborative, effective ways to work together as the body of Christ in the world.
