Adoption of Consent Agenda

Ms. Cahill Wolgram presented the consent agenda as recommended for approval by the Synod Council. She explained that since the Synod Council recommended the agenda it is moved and properly brought before the body. The consent agenda includes approval of the Rules of Organization and Procedure, Ratification of Assembly Committees, and the 2020 Compensation Guidelines. For a consent agenda there is no discussion so if any voting member wishes to discuss an item, they may request that it be extracted from the agenda for discussion later in the schedule. Ms. Cahill-Wolgram asked the Assembly if there were any items that anyone wished to be removed from the Consent Agenda and discussed individually. No items were removed.

SA19.05.02 Adoption of Consent Agenda

ADOPTED

Rules of Organization and Procedure of the Assembly

Ms. Cahill Wolgram highlighted several rules for the Assembly. She reminded the Assembly that any amendments or motions should be written out including the name, congregation, and town/city and submitted via email to the Synod Secretary. Members who wish to move or speak to any motion should go to one of the three microphones and wait to be called on to speak. They should state their name, congregation, and city and have either their red or green card in hand to signal whether they are in favor of or opposition to the motion. As referenced in Rule #6, as much as possible during discussion a speaker on one side of the question shall be followed by a speaker on the other side. The rules included limiting speech length to two minutes and when three people have spoken on the same side of an issue and there are no further speakers on the opposing side, the question will be called. The white card is used to call the chair's attention to a point order and may be raised from a person's seat at any time.

Report of the Reference and Counsel Committee

Bishop Thomas-Breitfeld called on the Rev. Rich McLeer (Hope Lutheran, Mineral Point & Mineral Point United Church of Christ), chair of the Reference and Counsel Committee. He reported that for inclusion in the assembly booklet, proposed resolutions needed to have been submitted at least 60 days before the assembly. Later resolutions must be timely and/or germane to the business before the Assembly. Deadline for such submissions is noon on Saturday.

Bishop Thomas-Breitfeld called on Alan Hines (St. John's, Prairie du Sac) from the Nominating Committee to read the positions open and the names of the nominees received for that position. The Bishop will then call for nominations from the floor. This will be the only time that nominations will be accepted from the floor. If there are more nominations than positions open, voting on those positions will occur later in the Assembly.

Report of the Treasurer

Mr. Bruce Hutler (Our Savior's, Sun Prairie), Synod Treasurer, brought the Treasurer's Report to the floor of the Assembly. He reported that congregational Mission Support for the fiscal year ending June 30, 2018 decreased \$71,000. And for the seven month fiscal period of July, 2018 to February 2019 mission support declined \$84,000. The South-Central Synod of Wisconsin gives fifty-two percent (52%) for Mission Support to the ELCA.

.

Region 5 Mission Support from all the synods in region 5 was \$43 million for fiscal year ending Jan 31, 2019, a decline of \$1.4 million. Region 5 is above average for Mission Support percentage at 48.4%. Currently our synod is at 52%.

As of February 2019 Mr. Hutler reported that the Synod received Mission Support of \$758,000, \$94,000 less than budgeted in the spending plan. As of this date, the Synod had a negative cash flow of approximately \$46,000.

For first two months of this fiscal year (2019-2020), mission support was \$190,000, which was \$58,000 less than budgeted. Through two months we had negative cash flow of \$15,000. Congregations are target for mission support of \$1.29 million for the current fiscal year.

Introduction of the Spending Plan

Mr. Hutler presented the Spending Plan for February 1, 2020 through January 31, 2021. Income includes congregational Mission Support of \$1,300,000. Even with the proposed decrease in mission support, the proposed spending plan is in a deficit position. Mr. Hutler mentioned that both the Finance Committee and the Synod Council supported the idea of bringing the spending plan to the assembly for a vote in the fall. Before a vote is taken members of the assembly may convene in person or remotely through conferences or other appropriate means to discuss the budget.

After a percentage of gifts are shared with our ministry partners and after staff expenses, the net available for programs and office in the proposed spending plan is \$103,800. Office expenses total approximately \$94,000, plus \$2,000 for committees, \$10,000 for leadership support, professional leaders education \$1,000, leaving a deficit of \$18,900. This excludes \$10,000 for CVENT. All events such as LEAD, Synod Assembly, and the Bishop's Convocation are break-even events that require registration fees to cover the cost of the event other than the cost of CVENT which is covered by the spending plan as passing this expense on to attendees could make the cost prohibitive for some congregations.

Ms. Jane Cahill-Wolfgram spoke about approving the 2020-2021 spending plan at a special synod assembly sometime this fall.

Bishop's Report

Bishop Thomas-Breitfeld presented her report to the Assembly. She talked about her first year serving as bishop of the synod. The Bishop highlighted several areas of ministry this year including a number of initiatives. One initiative is the STAR (Small Town and Rural) ministry. Another initiative is LatinX which seeks to develop and welcome outreach to this community and are developing a comprehensive and strategic plan to accompaniment with our siblings of Latin heritage. The Bishop also spoke of the diversity of new rostered leaders in our synod.

Report of the Vice-President

Jane Cahill Wolfgram (Christ, Deforest) brought the report of the Office of the Vice-President to the Assembly. She spoke about her first year serving as vice-president of the synod. She shared a proverb – to go fast it is best to go alone; to go far, it is best to go together. She shared the work of the synod council including the synod's work on strategic planning including four areas of focus: Equipping the saints; Building a bigger table; Generosity; and Celebrating our shared work. The next phase of the process will include the involvement of conferences, congregations and ministry groups. All to discern God's will for our lives.
