

### Why LMM in 2021?

**From Bishop Erik Gronberg's Blog 12/29/2020:**

"(LMM) is moving into a transformational Men's ministry that takes seriously the important role men play in their family and in the communities and wants to equip them to more effectively invite others into the way of Jesus." **and**

"In 2021 I challenge our congregations to take seriously the role that men can play in their communities as partners in mission and ministry and utilize the bible studies, resources, and other opportunities offered by Lutheran Men in Mission.

**From John Sundquist, LMM Executive Director:**

"Lutheran Men in Mission have long prayed for the day when all God's children come together as one." **and**

"May these *Stories from the Heart* move and challenge you. Above all else, may they serve as the first steps to bridging the space that divides us."
