

Prayers for Campus Ministry by the Congregations of the SCSW

1. God of all, we remember before you [our] young people beginning and returning to tech school and college. Guide them into holy communities like Lutheran Campus Ministry so that they may continue to grow in faith as they grow into the future you hold for them. In Jesus name we pray, Amen.
2. Holy God, we ask your blessing on Lutheran Campus Ministries everywhere and especially at UW-Platteville, UW-Madison, and UW-Whitewater. Build them up through our support, in prayer, in finances, and in encouragement. In making connections & accompanying students, Campus Ministry gives witness to your faithfulness to all of us through Jesus Christ, our Lord. Amen.

A Litany for Campus Ministry (to be used at council and committee meetings or worship)

O God,

You bless us by calling us to be a holy community. Bless also the holy communities created by Campus Ministers in our Synod.

You bless us to be a blessing, Lord.

We pray

for the ministry leaders at UW-Platteville, UW- Madison, and UW-Whitewater.

Bless them with wisdom. Guide them in love.

for each student who encounters Campus Ministry. May they find grace and belonging.

Bless each one in both their confidence and vulnerability.

We pray for their safety, guidance, and understanding;

for clean laundry, new friends, and a good night's sleep;

for learning and for listening;

and, for courage to follow your call in their lives.

Bless all students and guide them to your holy communities. In Jesus name, ***Amen.***
